

# Have You Been Bitten By The Artistic Bug?

**Are you just itching to see your work on  
banners, t-shirts, and flyers?**

**The Granite State Area of Narcotics Anonymous  
is planning its 29th Anniversary of  
Fellowship In The Field.**

The Campout Committee is looking to the fellowship for help in designing the artwork and choosing a theme for the camp out. This is open to everyone in the fellowship. All designs must be turned in by March 7, 2019. On this date, the artwork & theme will be chosen during the Granite State Area Campout Committee meeting.
